

Dear Parents,

Please see below, an update on the class schedule. This is an amendment to the one provided on the School Handbook - so please refer to the below for the most accurate information. We will also put this up on our website. Attendance at class is key - we have a very limited number of dates before the show in May and want to make this show as wonderful as possible! Please inform the school if your child will be absent, **particularly for any show dates or dress rehearsal dates ASAP so we can plan accordingly. Thank you!**

## Christmas Show DVD Update

Apologies for the delay in getting this out to those interested. We have been dealing with the challenge of formats evolving into extinction - ie the physical DVD. Finding a way to produce a DVD that would work on all media players seems an impossible task, with many people no longer even using DVD players. Soon (hopefully next week) we will have it set up where you can download the digital video file online for a small fee. If you prefer, we can make the digital file available on USB Flash Drive - which will incur a higher cost to cover the price of the Flash Drive. We will keep you posted - thanks for your patience!
